

# Sleep

BY SAREGAMA CARVAAN

## User Manual

1. To switch on the unit, turn the knob clockwise on the top panel of the unit. You can use the same knob to adjust the volume of the unit.
2. To move from one sound to another; Press the 'M' button once.
3. To play any particular sound in loop for 15/30/60 mins; Press the 'Timer setting' button to set respective time duration of the sound payout. 'Timer indicator led' will indicate the same.

Note: The unit will turn off automatically once the payout is completed for the set duration.

4. Charging indicator:
  - a. Steady Red light: Unit is being charged.
  - b. Light turns off: Unit is fully charged.
